Subject: Microsoft Settlement

Dear Justice Department official:

I am writing to express my disapproval of the proposed settlement between the Department of Justice and Microsoft. It fails to provide sufficient punishment for Microsoft's egregious illegal practices, and it will not be effective in curtailing Microsoft's abuse of its monopoly power in the future. As a software engineer who has made a career of developing applications for personal computers for the past 15 years, I believe the opinion I express here is a well-informed one.

Respectfully,
